Dear Ms. Rainford,

This notice is being provided to you to advise that Philadelphia Refinery Operations, a series of Evergreen Resources Group, LLC (Evergreen) intends to hold a public meeting on November 7, 2019 to present the results of environmental investigations related to the ongoing cleanup program at the refinery. The meeting will be held at the Preparatory Charter School located at 1928 Point Breeze Avenue in Philadelphia from 6pm to 8pm. The meeting will include information stations regarding the investigation and remediation program conducted by Evergreen/Sunoco at the facility. During the meeting, Evergreen will provide a general overview of the Pennsylvania Department of Environmental Protection Land Recycling Program (Act 2) reports submitted to date, and provide opportunity to submit questions about the Reports.

This meeting is being held as part of the community participation requirements of Act 2 and the One Cleanup Program Memorandum of Agreement between the PADEP and Region 3 of the USEPA (MOA). As noted in Section VI. *Public Participation* of the MOA:

- A. Any individual so desiring may request to receive a copy of the cleanup plan prior to implementation of the cleanup and have an opportunity to comment on such plan.
- B. Any person affected by the release that is the subject of the Notice of Intent to Remediate (NIR) may request that DEP conduct a site assessment. DEP further agrees that an appropriate DEP official will consider and appropriately respond to such request.

A notice of the meeting will be published in the Daily News and the South Philly Review on Friday September 13, 2019. As requested, a second notice will be published on or before 30 days prior to the meeting.

Information regarding the meeting is also posted on the following website: www.phillyrefinerycleanup.info. Comments are being accepted on the Act 2 Reports until March 9, 2020, when Evergreen anticipates holding another public meeting to mark the end of the comment period.
